The Rollin' Rock

Bulletin of the
Roseville Rock Rollers Gem & Mineral Society, Inc.
Volume 52, Issue 2 - February 2011

From the President's Pen

Our Educational meeting will be held on February 8, 2011, at 7:00 PM. I hope to see all of you there.

The weather and the economy have put field trips and rock-hounding on hold for the past month. But the hobby continues for me with rock shop classes, rock shop outings, swapping and trading rocks at home with coffee, cookies and friends, and a secret collecting area with limited access.

I sincerely encourage you to attend our meetings, enjoy the programs and fellowship, and have a snack at refreshment time. Don't forget the silent auction. Look for a surprise.

-- Don Evans

Vice President's Viewpoint

Our VP is "on the road" in Quartzsite and Tucson, AZ.

(Continued on page 3)

Show – Jim Hutchings reported by phone to Florence information concerning the Fairgrounds' new policy of charging for parking during events at the Fairgrounds this year. As we have already advertised the show as having free parking, we hope the Fairgrounds will reconsider this charge to RRR for this year. Next show committee meeting is Feb. 15th starting at 6:30 p.m. February 26th will be a work party day, for the Silent Auction and Kids' Junction. Hugh Brady shared tiny bottles filled with various crystals.

Directors – Bob Willis asked if there was to be a wire wrapping class on the 29th? He said he had 3 instructors who are willing to give lapidary classes. Jon North will look into what is occurring regarding offering lapidary classes.

New Business –

Jim Barton reviewed a letter he sent, as President for the CO-OP, to each of the CO-OP clubs' presidents. Each club is to provide an exhibit case in the CO-OP tent and also provide at least one volunteer to help with the CO-OP tent, either setup, takedown or during the 4 days of the Valley Springs Pow Wow. The Pow Wow will be over Labor Day weekend, in a new location.

Hot Water Heater – discussed installing a new hot water heater for the lapidary shop. Jon volunteered to look into the cost of the instant type of heater, which would go under the sink in the bathroom. During the winter, it would be nice to have warm water for use with the machines. This might require a different type of water heater.

CFMS Show – RRR will have to decide if we want to have our RRR Club case exhibited at this show.

Next Board Meeting – February 22, 2011

Adjournment – meeting was adjourned at 8:00 p.m.

The 2011 Show Raffle Needs Prizes

Hello Rock Rollers! As we get closer to this year's show, it is time to start thinking about what we are going to be giving away at this year's raffle.

Last year's raffle was a HUGE success and we intend on making this year's even better. It is up to us to make it as successful as ever and we need your help. We are currently asking for donations for the raffle.

Please look through your vast collections and decide what you can part with. We will be having hourly and grand prize draws so we need to start collecting now. We will also be starting an early bird raffle drawing before the show to encourage early sales.

Please bring any donated prizes to the meeting and Paul or Amber Arjil would be happy to make sure it gets put into the prize collection. Thank you in advance.

Paul & Amber Arjil, Raffle Co-Chairs

Exhibit Case Applications

Exhibit cases are one of the main attractions of our show. It gives the public an idea of what our hobby is all about. Exhibit cases help do just that and it also gives us a way to show off our fabulous collections.

Exhibit case applications have been sent out to everyone that exhibited last year and others on our list. Please return your application as soon as possible by mail or bring it to one of our meetings. Or get an application from Exhibit Chairman Jon North at (916) 768-0137 or pick one up at the next meeting.

"RRR Exhibitors Case" Wants Your Best Stuff!

For the last few years we have had an "Exhibitors Case" in the Exhibit Case section of our show. This has become a RRR tradition and has received rave reviews! It is a case where members can show off a couple of their handmade items that they created. If you want to participate in the "Exhibitors Case", contact Exhibit Chairman Jon North at (916) 768-0137 for an application or pick one up at the next meeting.

Demonstrator Needed for Cab Making

During our RRR show, March 26 & 27, we need a demonstrator to show how to make cabochons. A desk top machine for making cabs is needed.

Please contact Florence Brady if you could do this demonstration.

Thanks! (916) 961-6868, fhbrady@jps.net
