

From the President's Pen

Folks, I just want to say that you all are an awesome bunch to be a part of! I heard more compliments about our show, our workers, the vendors and what a wonderful event we put on. Even the grounds personnel are impressed with our "All-Volunteer Society" being able to put on this level of event. Seriously take a moment and reread this paragraph and let that sink in.

You all were instrumental in ensuring the 57th Annual Roseville Rock Rollers Gem and Mineral Show performed without a hitch. Setup and take down were completed the earliest yet. We had the curve ball of the parking lot switch thrown at us and you all responded. The not so new issue of suspected thieves helping themselves to our vendors' goods was met with a keen eye and patience. Then there is the Fantasy Island opening theme "Smiles Everyone, Smiles!", you all provided the big pearly white, Cheshire cat smiles because you were having fun and really enjoying yourselves.

So all of you please give yourselves a great big pat on the back for the effort you all provided. Without each one of your support our show would not have been a great success. Thank you very much.

—Glenn Fiala

Vice President's Corner

WOW. That is all I can say about our Show. Working security gave me the opportunity to talk with many people as they were leaving. Everyone expressed how much they enjoyed the show, and yes, they will be back next year. Great job, everyone!!

Now that I have covered the year in birthstones, I realized I needed to come up with a new topic (besides my crazy life). As I had the opportunity to work the show with new members, I asked them what they would like to see in the column. Many of them expressed how little they really knew about rocks (other than being shiny). Because of that I will be focusing on learning about rocks and minerals (in a simple way). I'm sure this will give the more experienced members (with so much knowledge) the opportunity to help train the mature "Rock Puppies" when I make a mistake.

Our Educational Program for April 9, 2019 will be the annual Oral Auction, conducted by Tim Carlson. Bring money and have fun. Looking forward to seeing all of you there.

— Jan Kessler

Secretary – Florence Brady reported membership is 229. A motion was MSA to approve the membership applications for Cliff & Alexis Prince, Allen Goldstein, Ron & Sue Stone and Bill, Jody and William (JR) Wootton.

Vice President – Jan Kessler reported the April Ed. Mtg. will be our annual oral auction along with drawings for the Workers' Raffle.

CFMS Director – Mike Hunerlach was absent.

Field Trips – Gene Doyle reported on the field trip to the Cache Creek area. He updated the Board on the field trips planned for the Delta, UT area. (Topaz Mt.) May will be the get together at the opal mines.

Librarian – Karla Shannon had no report.

Bulletin – Terry reported the deadline for the April bulletin is March 29th.

Lapidary Classes – Cathy Nelson on reported the upcoming silversmithing classes led by Dan Bender.

Show – Jim Hutchings updated the Board along with the preliminary financial information provided by Terry. It is felt that the improvements to the buildings, restrooms and grounds is helping to bring higher quality vendors and higher quality customers. Jim will be talking to the Fairgrounds regarding the parking fee for next year. The newly renovated parking lot has 730 parking slots. When the Event Sports Building is completed, there will be another entrance along with more parking lots. To be determined is a way for Facebook to have a one dollar off coupon available. Is there a way on our website, a guest can sign in to receive a postcard? Post Show Committee Meeting – April 2nd.

Lapidary Shop – Denise Coyne updated the Board on the shop, the collections of rocks and broken buckets and need for the weeds to be cut. All saws are now working. The "Open House" for visitors to our show (and RRR members) is Sunday, March 31st from 10-2. She will coordinate with Robbie (FG's) on coordinating when the rocks need to be moved and where will they be located.

Directors – Martha Nichols reported she and Nancy Hood received good comments regarding the additional space for the Silent Auction materials. Stan Bollinger reported his help with some vendors in taping down electric cords.

Juniors – Carole Kowalik reported Evan Ogden will give a presentation on amethyst for the Rookies meeting in April. Next year, will move the Juniors' program to

the May Ed. Mtg. At the show, 669 grab bags were sold (700 filled).

Old Business –

Camp Paradise application is now on the CFMS website. Weeks start with August 25th and Sept. 1st. Cost for one week will be \$405. Details for the awarding of a scholarship to an RRR member will be published.

Dino Day at Sierra College – May 5th – The Board decided to support Dino Day. Jim Hutchings has committed to a 10' x 10' space and RRR volunteers will be needed.

New Business –

Placer Co. Fair – we were asked if we wanted to be part of the Placer Co. Fair. Dates: June 20-23. Jim will see what the FG would like to have us do, as in just an exhibit case or ?

Storage Trailer – it was reported that the storage trailer is “falling apart” and needs to be replaced after many items are gotten rid of. This will be discussed further at the next Board Meeting.

Next Board Meeting – April 23, 2019

Adjournment – meeting was adjourned at 7:40 p.m.

Respectfully submitted,

Florence Brady, RRR Secretary

Rookie Rock Roller News

The Rookies will meet in the lapidary shop at 200 Corporation Yard Road at 5:30 p.m. on April 9, 2019. The first thing I want to mention is the helpers we had at the gem show. Dylan, Evan, Max, Madi,

Ashley, Mia, a former Rookie, Lauren, and the many parents, aunts and grandparents. That was a tough job but the Rookies took on a lot of the burden. Thank you all for the help.

At our last meeting, we gave a presentation about what the juniors do all year. William was brave enough to give his presentation on Mexican topaz. Awesome job, William. Many of the juniors were there to give their names, ages, and state their favorite part of coming to the Rookies program all year. That was really fun to hear.

For the April meeting, we will have a presentation by Evan on Amethyst. We will have some kind of fun activity after Evan’s talk.

Let me know if you want to discuss badges. The best time to set an appointment is now through August.

See you all at the meeting,

Carole Kowalik, Junior Advisor
(916) 871-0573 home3004@gmail.com

A get well card was sent to Rene Hunerlach for foot surgery, and a sympathy card was sent to Rob Nichols.

Auction News

As you know, the April program will be an ORAL auction. There are some interesting items so be sure to come and bring your bidding voices and money. All proceeds go to the club and you should be ready to

pay the club treasurer before you leave.

Among the items up for bid will be **lapidary equipment, such as trim saw, vibratory flat lap, mini flat lap, two calibrated cab machines, and much more miscellaneous hardware and consumables.** There will also be a few generously donated specimens, geodes, slabs, cabs and a few other goodies collected specifically for this Roseville Rock Rollers special event.

SEE YOU THERE.

RULES: Generally we will proceed as a standard auction house auction. Our exception is that my assistants and I are allowed to bid. We are all volunteers and will need your help and assistance.

When you arrive, be sure to sign for a bidding paddle number and pick up your bidding paddle. Without this you cannot bid! Before you leave, return your paddle and pay for your goodies. Our treasurer and assistant will accept cash or your check, payable to RRR.

Things will wrap up fastest if your cash is exactly the amount(s) you have bid. They will keep track of your purchases, but you should also keep your own record. During the bidding, you can help us by raising your paddle. If we don't spot you, a polite HOO RAH should get our attention.

— Tim Carlson, Auctioneer

LAPIDARY SHOP NEWS

After the show will be the start of a new year for the Rock Shop. We have some new members and some returning members getting back into the shop to work, so much fun seeing their works in progress.

Gary Peterson, thank you for getting both the 18 inch and the 24 inch saws running. The 24 inch saw needs a little more clean up before its available for use, hopefully that will not take too much longer.

The Shop's Lapidary Instructors, Duncan Penman and Vern Deck, along with Jim Hutchings and Gary Peterson, have gotten all the machines in the shop up and running. Now ready & waiting for use! Thank you guys for all your hard work.

Sometime in the next few weeks after the ground dries a bit, we have to move the buckets of rocks from the backyard to between the Shop and the Saw Shed. This is so the construction crew can fix the ditch and water issues behind the Shop. Please keep an eye out for an email asking for volunteers; it shouldn't take that long if we have enough people show up.

Thank you to all who showed up for the Open house, it was fun!

— Denise Coyne

Lapidary Classes

Crafty Days - Crafty Days is an open get together/play day for anybody wanting to work on their craft while yakking and snacking! We always have fun! Bring whatever you are working on and a snack to share. **We meet 1st and 3rd Mondays each month.** No class or class fee, \$5 for use of the Shop is the only fee. 10-2pm at the Lapidary Shop.

Show Chair and Show Committee Messages

We did it!

One of the most successful shows in the history of the Roseville Rock Rollers Gem and Mineral Society!

I know this, because of the records set, the comments of the visitors, and the vendors! The most impressive and rewarding highlight of this show, was the number of young people, and their engagement with our opportunities to learn and have fun with rocks and minerals!

There is no way to express my thanks to each and every member who stepped up to volunteer precious time to make this happen. I saw a lot of heart and soul go into your labors, to make this show happen!

We all did it, thank you!

— Jim Hutchings, 2019 Show Chair

For our Show Volunteers, you are the best!! Many of you worked more than one shift, actually more than two shifts as a Volunteer! You know who you are and your Show Committee thanks you very much.

Over the 2 days, 2864 adults attended our show along with over 520 juniors! Way to go!

Dino Day at Sierra College, Rocklin

Watch as a real dinosaur bone is prepped by an expert.

May 5, 2019, 9 AM — 3 PM

The Sierra College Natural History Museum is a non-profit, volunteer-run organization. All of the proceeds from this event are used throughout the year to maintain our exhibits, provide programming and to make new and exciting installations in the facility. We cannot make the Museum perfect without you!

Since we know that you framed your archaeopteryx hat from last year, we were sure to keep some of your old favorites are part of the event. You can make a new archaeopteryx hat to camouflage you from the humans while you become your true reptilian self.

The Dino Cut Outs are back too. This incredibly popular craft from last season is back. We cut out over 1500 crea-

tures out of wood using lasers, yes, lasers, for you to paint any way you would like!

Speaking of painting, you can finish your reptilian look by visiting our face-painting booth. Get decorated like a dinosaur or anything else that we can paint for you.

If you think that your look needs an accessory, may we suggest a dino puppet. In this area, young ones can make their dino puppets or fill out activity sheets while their parents get a chance to sit and color too.

Back by popular demand—tie-dye your own “official” Dinosaur Day t-shirt. You can do this activity for a small fee, just to cover the cost of the shirt and the dye. The Sierra College Fashion Club will be there to help you make your t-shirt as fashionable as possible. These were so popular last year that we sold out!!!

Our “live” dinosaur, well, we will be keeping him in his box, he is cranky. You can visit him too over next to where you can search for your own dino fossils. We will also have a couple of other “dinosaurs” wandering the event as well.

We will also have live bats, snakes and lizards. We will have “fossils” you can dig out of ice blocks. You will be able to learn about the wildlife in our area and how you can be a local conservation hero. You will be able to see real fossils being prepared. You can talk to people who can tell you how you can become a paleontologist yourself too!
