

From the President's Pen

Well folks, we are in the midst of our normal summer; random hot periods followed by cool Delta breezes. I will take this type of weather all summer long, as long as the weeklong 100 degree weather stays at bay. As many of you are aware, we have taken action to kick off our Gem and Mineral show, to be held on August 6th and 7th. For this show to be successful, we truly do need all of your help, setting up, helping at the various stations and breaking down. I brought up the hot weather as a talking point, because we are not going to be in that hot weather. We are going to be inside the very nice Roebbelen Center, which is air conditioned with the latest and greatest state of the art air circulation cooling system. So if any of you were concerned about the heat during the August months here in the Sacramento area and supporting our show please don't be and be sure to volunteer.

Sticking with my usual geological internet finds, and coinciding with this month's educational topic, I have found the following three topics that provide some great reading material concerning volcanoes.

I have come across this information from time to time and it always amazes me when put into perspective. Read this topic and take a look at the explosivity graphic included: <https://geology.com/stories/13/volcanic-explosivity-index/>

Randomly we hear about a volcano that is burping up something here or there, well this website provides the latest and greatest news around the world for all the volcanoes that are acting up: <https://www.volcanodiscovery.com/volcano/news.html>

Lastly a listing of volcanoes that are considered deadly for one reason or another and the volcano that is this month's educational topic is even listed here too: https://www.ranker.com/list/the-world_s-most-dangerous-volcanoes/analise.dubner?ref=nxtlst&collectionId=51&li_source=LI&li_medium=desktop-next-list

Be sure to sign up to volunteer during our upcoming Gem and Mineral show.

— Glenn Fiala

Vice President's Corner

All of us at some point have entertained questions, with curiosity, regarding various aspects of the Earth Sciences. Our club proudly celebrates a wide variety and welcomes our members and the curious public to join us. For our June educational meeting we will get a fresh and very enlightening view from Lindy Summers-Bair on Tuesday, June 14, 2022.

Lindy heard of a volcano in Mexico, El Volcan Paricutin, that suddenly appeared in a farmer's field. At first, it seemed to be merely a nice story which she wasn't ready to believe as true or real. I will let her tell the enchanted tale that not only became real... it also came with a personal invite to see it first hand. Since she recently returned from her visit, Lindy will share her excitement and what she has learned at El Volcan Paricutin.

For July watch the bulletin for what you can bring to our Annual Potluck on July 12. As you know, we love to gather and gab around the tables loaded with plenty for everyone. See you soon.

Correspondence: Secretary, Florence Brady, reported none.

Membership: Florence stated we will have 228 members. A motion was MSA to approve the membership applications for Ashle Clum, Desiree Brainard, Cody Heiny, Rhonda Harrington and Lexi Harrington, a Junior, and Sabrina Szlachciuk.

Vice President/Programs: Vern Deck reported future programs: June 14th Ed. Mtg. will be a presentation by Lindy Summers-Bair on the Popocatepetl volcano in Mexico. July 12th will be the annual potluck dinner, Aug. 9th will be the ice cream social along with possible other activities. Sept. 13th will be a presentation by Mike Burkleo on carving jade.

Librarian – Historian: Karla Shannon was absent.

Deadline for Bulletin: Friday, June 3, 2022.

Field Trips: Gene Doyle was absent. He plans to do a field trip to the Bear River on June 18th.

Federation Director: Barbara Loudon was absent.

Lapidary Classes: Cathy Nelson reported the last silversmithing class was cancelled due to a lack of participants. She continues to look for instructors.

Show: Jim Hutchings was absent. Florence shared volunteer information. Martha Nichols volunteered to get in touch with the local Boy Scout leader and discuss how they can volunteer at our show, where their help is needed and can community service

credit be earned? For the SA, the scale for weighing rocks is in the Library and Gene Doyle plans to hold another work party to clean and sort rocks, on June 11th. This will be publicized in the June bulletin.

Lapidary Shop: Denise Coyne was absent. Discussion on replacing both outside doors along with their frames. After a quote is determined, the Board can vote approval on the cost to do these repairs. Discussion about possible need for security cameras placed on the outside of the building. It was decided to discuss this at a later date. It was decided to get a quote for the plumbing connection so the board can approve, and then proceed with this project, of connecting our plumbing pipe into the main sewer line. RRR volunteers will be needed to dig out a trench.

Directors: Holly Hinkle, absent, Martha Nichols, no report, Cathy Nelson, no report, Denise Coyne, absent.

Juniors: Patty Holbrook was absent.

Past President: Jim Barton had no report.

Old Business – Tailgater – Martha Nichols shared with the Board the successful event! She has documented all income and expenses. Most of the lapidary equipment was sold, at the bid price stated. Sales reported: approximately \$6075 equipment sales, \$1370 rock sales, \$650 vendor spaces. It was decided to place “on hold” doing a tailgater this coming fall. Glenn will send a thank you letter to the National Guard, for letting us use their adjacent lot as a parking lot.

New Business –

Square – discussed purchasing another Square device which could be used to deposit money into the Club’s banking account. Presently, the Square (actually 2) can be used only to deposit money into the Club’s Show account. Glenn will discuss this with Treasurer, Terry Yoschak.

Should the RRR Waiver for field trips include a statement that the attendees photos can be used? This is recommended to protect the Field Trip Leader and RRR. Further information on the wording for such a statement will be researched with CFMS Chairs Jim Brace-Thompson and John Martin.

At the June 14th Ed. Mtg., there will be a presentation of the AFMS plaque to Richard (Dick) Hilton for his honorary award to AFMS for distinguished achievement in the field of earth sciences.

Next Bd. Mtg. will be June 28th.

Adjournment – adjourned at 8:17 p.m.

Respectfully submitted,

Florence Brady, RRR Secretary

Rookie Rock Roller News

The Rookies will meet in the Garden Room at 5:30 p.m. on Tuesday June 14, 2022.

We will continue to learn about the rock cycle by focusing on how rocks change from sedimentary to metamorphic to Igneous rocks. The Rookies are welcome to bring an example of one of 3 types of rocks to show the group. Please make sure that the rock is in a plastic bag and labeled with the Rookies name and the type of rock. We continue to work on the Collecting Badge by talking about how to build, label, store, and display a collection. Les Holbrook will be sharing his collection. The activity for this meeting will be a science experiment that demonstrates the rock cycle using Starburst Candy.

Kendra Harback will be your leader for this meeting because I will be in Ireland. Les Holbrook and Patrick Harback will be helping her.

Over the next year the Rookies will be working on two badges from the Future Rockhounds of American Badge Program. The first is Earth Processes and second is Collecting. Rookies who attend most of the meetings should be able to earn the badges. I will make sure that there is enough repetition and review that it will not be necessary to attend all the meetings to earn the badges. The Rookies are also able to work on these or other badges on their own. Just let me know when they finish a badge, and I will go over it with them.

See you in June,

*Patty Holbrook, Juniors' Advisor

Special Presentation

Carole Kowalik (center) received gifts and awards from the RRR for years of service as our Juniors' Advisor. At the May 10th Educational Meeting.

Headliner

HONORING MILITARY HEROES

The Sacramento Valley National Cemetery held its Memorial Day ceremony Saturday, honoring the men and women who lost their lives defending the nation with speeches, music, a rifle salute and taps. "It's really nice that the community is still wanting to be involved, and that their patriotism hasn't changed a bit even with COVID," said cemetery director William Pickard about attendance at the event after several years without ceremonies because of the pandemic.

The cemetery, located 3 miles south of Dixon, is open daily from sunrise to sunset. It opened in 2006 as California's seventh national cemetery. Burial is open to all members of the armed services who have met minimum active duty service requirements and were discharged under conditions other than dishonorable.

Vietnam veteran Stan Bollinger, 77, of Roseville, salutes the flag Saturday as attendees stand for the national anthem during a Memorial Day ceremony at the Sacramento Valley National Cemetery near Dixon.

RRR member Stan Bollinger made the front page of the *Sacramento Bee* on Memorial Day, May 30, for a ceremony at the Sacramento Valley National Cemetery.

Intarsia Classes (Offsite)

Bill Simpson is offering Intarsia Classes at his shop in Meadow Vista.

The classes are two, 1/2 days. Fee is \$85.00 which includes \$5.00 to the RRR as a shop fee.

Or have you have taken Bill's class, and would like some more shop time?

Bill has offered open shop time for \$25.00 for a half day those who have already taken his Intarsia class.

Please contact Bill Simpson 408-799- 3243 to schedule.

I have attached a picture of a wonderful Intarsia piece that Bill did.

Show Silent Auction Work Party

**Saturday, June 11th, 8 AM to 12pm,
at the Lapidary Shop**

- We need some help again to get some material cleaned up and ready for our Show Silent Auction.
- We will be cleaning buckets of rock outside our shop. We will also be sorting the rocks and making additional mixed buckets for the show.
- Since we will be working outside, you may want to dress appropriately, and wear clothes that you don't mind getting dirty or wet.
- Bring suntan lotion, hat, gloves, plenty of water, and snacks.
- I have one power washer. I would like to get one or two additional power washers to use if anyone has one, please let me know.

ANNUAL RRR SHOW

This year, RRR is taking a big step forward and holding our annual show over the first weekend in August. This involves taking the chance that we can get enough volunteers to help with our show, in the middle of summer! (As you have been told, we probably can never hold our show in March, due to a filled parking lot – because of volley ball tournaments!)

To those of you new to RRR – this is one of the largest gem & mineral shows in northern CA. In 2019, we had almost 3,000 adults and over 540 juniors. The profits earned, help us fund our wonderful Society. We will have all our Society's activities inside the two lobbies of the Event Center, and it is air conditioned!

We need your help. As of this writing, we have 50% of the needed 100+ volunteers. As we constantly say, no past experience is needed. On page 6 of this bulletin, is a summary of where you can volunteer. And yes, volunteers can be family members, friends and Junior members. Volunteers will get a parking pass and free admission.

Please sign up during the June 14th Ed. Mtg. or contact Florence Brady, (fhbrady@comcast.net).

Your 2022 Show Committee thanks you!

Camp Paradise Scholarship

The Roseville Rock Rollers will offer a \$425 scholarship to the annual Earth Science Studies (ESS) at Camp Paradise, for one week's registration. This scholarship is to be awarded to a RRR's Society member, whose name is to be drawn at the June 14th educational meeting.

Further information on the earth science camp can be found on the CFMS website: <http://www.cfmsinc.org/ESSStudies/ESSoverview.htm>

The Roseville Rock Roller Board decided to conduct the selection of a member to attend one week of the selected members' choice. Dates:

Week 1: August 21st to August 26th 2022

Week 2: August 29th to September 2nd 2022

Interested members are to fill out the form below or get one at the upcoming meetings, on May 10th and June 14th. The drawing for the winner will be held during the June 11th meeting. Four (4) further names will be drawn, with a wait list created for the 2nd - 5th names, in the order so drawn. (Past recipients can't enter for the 2 years after they won.)

**2022 CONTEST FOR CAMP PARADISE -
\$425 SCHOLARSHIP
CFMS LAPIDARY EARTH SCIENCE STUDIES –
CLIPPER MILLS, CA**

I would like to be entered into the drawing for one (1) scholarship for either of the 2 weeks listed below. Please circle your preference.

Week 1 _____ or Week 2 _____

Name _____

Phone # _____

Email _____

Only RRR members can enter this drawing. Return this form to either the May 10th or June 14th Education Meetings. Drawing will be at the June 14th Ed. Mtg. Five names will be drawn, first name drawn is the winner, the remaining four will be placed on a waiting list, in the order drawn. (Past recipients can't enter for the 2 years after they won.)
